For details see **poultonhall.co.uk**
Tickets **£10 and £5** including refreshments
from **ticketsource.co.uk**

All proceeds in aid of Rotary Charities and KIND (Kids In Need and Distress)

WINTER WONDERLAND WALK

The parkland and walled gardens of Poulton Hall will be illuminated this year, 2026, on **Saturday and Sunday November 28th and 29th.**

Visitors will be greeted by a Witch, and ushered through a wardrobe into gardens inspired by Narnia, Neverland, Middle Earth, Wonderland, Camelot, and other worlds of the imagination.

The Walk is 1.2 kilometres (3/4 mile) and takes about an hour. It is suitable for all ages, being entirely flat, but with some soft and uneven ground. Baby buggies can usually cope, but not adult wheelchairs, unless it's very dry.

Wellies or walking boots are recommended, along with warm clothing, including gloves and hats, and also waterproofs depending on the weather forecast.

With a small hand torch (not a head one) you can see many details not revealed by the illuminations, including plant names and storybook characters. There is a one-way route, with signs, and a printed list of landmarks.

Entries are staggered, bookable at 10 minute intervals. Santa will be there. Hot chocolate and squash and gingerbread men are included towards the end of the Walk, and a Storyteller will send you on your way through the ornamental beech Woodland.

Poulton Hall is at CH63 9LN and the gates into the woodland to the carpark are at the top of Poulton Hall Road, where it joins Poulton Road. **First entry at 4.30 pm; last at 6.30 pm.**

There are toilets, and baby changing facilities on request.
